# Welcome to the Mile High City!

We hope you enjoy your stay in Denver, CO. The Denver Jewish community is unique in that it has a full Jewish infrastructure including Jewish day schools and Jewish high schools, kosher eateries and groceries, shuls and mikvaos, while retaining that out-of-town feel. The Denver Jewish community is also unique in that there are different areas where the Jewish community is concentrated, with the main communities centered in West Denver, East Denver, Southeast Denver/Greenwood Village, and a Jewish Bucharian community in Aurora, Colorado.

While there is no shortage of things to do in Denver and the surrounding areas, both indoors and especially outdoors, this tourist guide is not meant to provide information on what to do while in Denver. Rather, this guide seeks to provide information regarding Jewish amenities in Colorado, such as shul/minyan info, kosher food info and the like.

The Denver community is also pleased to offer a Tourist Gemach. The gemach features common large items such as coolers, portable grills, crock pots, hot plates and pizza makers (aka Betty Crockers). Please contact [zeraavraham@outlook.com](mailto:zeraavraham@outlook.com) for more info and availability.

To offer suggestions/feedback about this guide, feel free to contact [zeraavraham@outlook.com](mailto:zeraavraham@outlook.com).

Enjoy your stay!
